

Java Programming - Lab Project Evaluation Sheet

Programmer Name: _____ Tunbutr, Bryant _____ Project Number: 4
Media Folder Name / Path: _____ Project#4.zip _____
Driving class name (application) _____ BryantsCarRentalApplication _____
Date Due: 4/17/2013 _____ Date Turned In: 4/17/2013 _____

Project Performance: _____ **Possible/Deducted** 5 / _____
Project works according to specifications and pseudocode
Logic is efficient
Project runs as submitted
Professional appearance

File Organization: _____ 5 / _____
Electronic folder is present and contains all necessary project files (no extra projects)
Folder name and file names match those listed above and meet naming requirements
Project Eval Sheet (named correctly and signed)

Class Diagram: _____ 20 / _____
Must be complete / matches pseudocode
Follows conventions
Matches the project

Specific Requirements (vary by project): _____ 50 / _____

Input		Output	
		Column Headings appear once at top of TA	_____
GUI set up per requirements	_____	Each rental lined up below hdgs	_____
